

PIA Dimensions CD QFT PortfolioSM

Non-Guaranteed
Prepaid Contracts

The PIA Dimensions CD QFT PortfolioSM is designed for non-guaranteed prepaid contracts. This portfolio will provide market rates of return less expenses that are delivered by insured bank certificates of deposit. Because these contracts are non-guaranteed prepaid contracts, the only option is to invest in insured bank instruments that are allowed under the Michigan Funeral and Cemetery Sales Act.

Target Portfolio Allocation as of 5.1.2013

■ Insured Certificates of Deposit

100%
